CONTACT US

International travel documents

If you are traveling internationally, you may need travel documents such as a passport, travel visa, ETA, or ESTA. If you don't have the right documents, many countries will deny you entry. To help you avoid rush-order fees, we recommend you secure your travel documents well in advance of your trip.

Passports

A passport is a government-issued ID in the form of a passbook (valid for all international travel).

Visas

A travel visa grants travelers the right to enter and depart a specific country. You may need a visa for each individual port or connection on your itinerary, so check in advance.
